

**Doherty Memorial High School – Guidance Department
Parent/Guardian Questionnaire**

Return this two-sided form to your counselor by **October 1st**

Early planning and preparation are essential ingredients to a successful college planning process. As a parent/guardian, your responses and insights can add a very important dimension to your student’s college/career search and planning. Your responses to this questionnaire will inform your son’s/daughter’s counselor to write a more substantive evaluation of your child. You will be most helpful when you are specific with your descriptive statements and when you give examples or anecdotal information.

Be serious; be funny; be honest; be proud.

Please feel free to use a separate sheet if your comments do not fit in the space provided. We will assume that you have shared your responses with your son/daughter unless you tell us otherwise. Your responses are greatly appreciated. You may email your responses directly to your son’s/daughter’s school counselor or mail them to the high school. **Please return the forms by October 1.**
